How billing works: Monthly plan: 12 VIRs/year at the standard rate. Bi-monthly plan: per-VIR rate = monthly rate × 1.10; monthly billing = VIR rate × 6 ÷ 12. Quarterly plan: per-VIR rate = monthly rate × 1.20; monthly billing = VIR rate × 4 ÷ 12. VIR = Vessel Inspection Report. All plans on a 12-month direct debit agreement.
